Amsterdam Creative Tour

Atelier tour

Introduction

Visiting one of the many museums in Amsterdam to look at it's beautiful art is certainly worth while, but we think that is even more worthwhile to visit Amsterdam's thriving creative scene and meet the designers, artists, photographers or fashion designers in their studio's and ateliers.

We have organised a 4 hour atelier tour where we will take you to a number of established and upcoming designers and artists and visit them for personal meeting. Talk with them as they explain their works and the way they work. Get inspired by meeting the people in the Amsterdam creative scene!

Meet the artists

Program:

We will meet at the lobby of your hotel. Depending weather and distance we will do the tour by foot or we have a car driving us.

In our international press work we collaborate with a wide range of Amsterdam based artists like Ted Noten, Jolan van der Wiel, Maria Blaisse, fashion designers like Bas Kosters, Edwin Oudshoorn, Esther Dorhout Mees, object designers like Studio Drift, Marcel Wanders or Frank Tjepkema or photographers like Louise te Poele, Jurjen Drenth, Marthe Visser, Elle Verhagen.

During the tour we will visit two of them* in their studio's or ateliers for an introduction to themselves their creative vision and recent works.
